DOCUMENT-IDENTIFIER: US 6044842 A
TITLE: Gasketless connecting adapter

BSPR:

The present invention relates to personal safety inhalation equipment, particularly breathing mask filters. More particularly, the present invention relates to an adapter attachable at a first surface to a gas/vapor filter cartridge and at a second surface to a particulate filter cartridge wherein no gaskets are required to seal the adapter to either cartridge.

BSPR:

In a second aspect of the present invention, a filter adapter for airtight joining of a first filter to a second filter of a breathing mask includes:

DRPR:

FIG. 4 illustrates an adapter according to the present invention joining a particulate filter to a gas/vapor filter mounted on a face mask; and

DEPR:

Multiple axial spacing ribs 27 may be provided to ensure the interior of the first face 21 does not obstruct airflow between the through-passageway 25 and the gas/vapor cartridge 23. These ribs may be annular, radial as shown, or of another configuration. A lip 28 extending radially inward of the periphery 30 of the first face 21 ensures both a tight snap-fit and the acquisition of an airtight fit of the connecting adapter 20 to the gas/vapor cartridge 23. An internal peripheral flange 30 having a wide flat area 29 is provided to ensure an airtight seal against the gas/vapor cartridge 23 front face 22.

DEPR:

A lip 43 extending radially inward of the periphery 44 of the first face 41 ensures both a tight snap-fit and the acquisition of an airtight fit of the connecting adapter 40 to the gas/vapor cartridge 23. An internal peripheral flange having a wide flat area 45 is provided to ensure an airtight seal against the gas/vapor cartridge 23 front face 22.

DEPR:

FIG. 4 illustrates the adapter 20 or 40 snap-fit over a cartridge 23, joining a particulate filter 33 to a mask 50. The filter connection element 36 joins the filter 33 to adapter 20 or 40.

CLPR:

CLPR:

20. A filter adapter for airtight joining of a first filter to a second filter of a breathing mask, said filter adapter comprising:
